All bikinis are without knots and closures. The size and cup size grow proportionally.

If your underbust is 70cm & you have a D/E cup, you choose S or M. L won't have enough hold for your underbust.

If you need a strong hold for a big cup, you should choose the WILD top (strongest hold, wide underbustband) or if you like it more elegant you could choose the doubled neckholder bikini top FREE.

Example: Franziska wears Top in size M & bottom in size M.  
174cm, bust 90cm | underbust 80cm, hip 90cm | butt 102cm
